

To each driver in the
Willows:

Call the City of Menlo Park's voice mail hotline to complain about the new temporary street obstacles in the Willows now!

Call 858-3447

To get our support, call
SOS:

323-2353

SOS is the only forum for opposition at this time. Please help us spread the word. Tell everyone you know, who is affected by the new temporary obstacles, to call both numbers on this slip.
